

Pop-up and Movable Books: A Bibliography, Supplement 2, 1998-2007
Ann Montanaro
September, 2008

This bibliography has four parts: Title Index, Name Index, Date Index, and Series Index. The Title Index includes all of the English-language pop-up and movable books published between 1998 and 2007. It supplements two previously printed volumes by Ann Montanaro: *Pop-up and Movable Books: A Bibliography* [Scarecrow Press, 1993] and *Pop-up and Movable Books: A Bibliography, Supplement 1, 1991-1997* [Scarecrow Press, 2000]. The Title Index also includes works published prior to 1998 which were inadvertently omitted from the print versions.

The Name, Date, and Series indexes are composite indexes and include entries from the two print volumes as well as this online supplement.

Each pop-up or movable book in this bibliography is described in full in either the print or online version. At the end of each title entry in the Name, Date, and Series index there is a number: (1), (2), or (3). The number identifies the volume of the bibliography where the full description appears. Titles with a one (1) are described in *Pop-up and Movable Books: A Bibliography* [Scarecrow, 1993]. Titles with a two (2) are included in *Pop-up and Movable Books: A Bibliography, Supplement 1, 1991-1997* while titles with the number three (3) at the end of the line appear in this online version of *Supplement 2, 1998 - 2007*. Occasionally an entry is in more than one volume. Such an entry has two or more volume indicators at the end of the title line, for example: *The Fairytale Village Pop-up Playset*. 1996. (2); 1998. (3).
